March 19th, 2012 Discussion
Re: SVT Proposal and applications update

EHC Member Questions & Comments:

- 1.** Stella has asked if there was going to be anyone who would translate, if it was needed for the applicants who will be taking the survey.
- 2.** Kimberly has asked to put an environmental joke in the Newsletter.
- 3.** Pictures FWD to Pat regarding oil rig discharge.
- 4.** Concerned about the cables hanging from the oil rig.
- 5.** How is oil rig disposing of trash.
- 6.** Ice on roofs (send out flyer in mail).
- 7.** Lydia has requested we get NPRHA to participate in the Radon test coming up soon for the apartments here in town.

Student Report:

Environmental Program Updates:

Environmental Technician Updates:

Moriah has been working with Dorothy of Cook Inlet Keeper to put together the electronics recycling event. Moriah is also working on a Desk Manual for the Environmental Tech. job since there is such a high turnover rate. Moriah is also trying to get an event set up for Earth Day.
